Market of Choice Offers an Extensive To-Go Holiday Meal Menu

Takeout chef-crafted meals and à la carte options simplify holiday gatherings

EUGENE, ORE. Oct. 14, 2025 —Takeout is increasingly being embraced as a way to spend less time cooking and more time connecting during the holidays. This shift isn't just about convenience; it's about reshaping traditions and the meaning of gathering, while enjoying quality food. [Market of Choice](#) is meeting this growing demand with a broad selection of freshly prepared holiday meals and sides available for takeout, making Thanksgiving and December holiday celebrations stress-free and delicious.

"Holiday meals and meaningful time together are being redefined with quality takeout," says Matt Martin, senior director of perishable foods at Market of Choice. "As families seek more quality time together, the chefs at Market of Choice are helping to simplify the season by preparing an array of dishes that capture the comfort of traditional meals while also bringing new cultural flavors to the table."

Market of Choice chefs prioritize locally sourced ingredients to create scratch-made dishes that celebrate a range of holiday traditions and dietary needs. For Thanksgiving, Market of Choice is offering Chef's Prix-Fixe holiday dinners that serve two to eight people. Options include Diestel roasted turkey breast or a whole, fully-cooked turkey, accompanied by classic sides – sausage and sage stuffing, turkey gravy, Yukon Gold mashed potatoes, and creamy mushroom and green bean casserole. For customers with dietary preferences, Market of Choice offers gluten-free and vegan sides, such as vegan mashed potatoes, savory mushroom plant-based gravy, gluten-free stuffing, Miso maple roasted carrots, and cranberry orange relish.

A la Carte Vegan and Non-Traditional Choices

With nearly 100 dishes to choose from, the menu truly offers something for everyone — from gluten-free and plant-based entrées like the Vegan Superfood Lentil Wellington, to pizzas and lasagnas for non-traditionalists, and options designed for special dietary needs. December's holiday menu features both classic seasonal favorites and innovative flavors inspired by diverse cultures and celebrations.
